

STELLAR SERVICES

We hope you're taking advantage of the stellar services we offer at Watersavers Irrigation.

Need products delivered quickly?

We offer **4 hour local delivery, including online orders.** With our online store, you can create shopping lists, view available inventory, and access your special pricing all in one place. This allows you to quickly make accurate quotes for your customers and future jobs.

Visit www.watersaversinc.com/shopping & start saving time and money.

Ready to take it to the next level with Watersavers?

We're proud to offer on-site inventory and storage with our **mobile stocking rooms.** Make the most of your time and labor with one of our storage trailers directly on your job site. You will have instant access to supplies and a secure place to store your equipment. We will replenish stock as needed and even help organize it for you.

Send an email to adminassist@watersaversinc.com or call 415-256-1711 ext. 201 for questions and qualification details.

WeatherTRAK UPGRADE

WeatherTRAK has rolled out with a new **Cloud Update Key**, meaning WeatherTRAK LC and ET Pro3 users can now also get automatic upgrades through the Internet. The Cloud Update Key is included with all new controllers.

What you need to know:

- Each LC and Pro3 controller will require its own Update Key
- The key only takes a few minutes to install
- The new key will allow for automatic updates through the cloud (so each controller will always have the latest software)
- WeatherTRAK Update Keys are listed for \$22 through Watersavers
